“Brrrrrr, It’s cold up here.”

“Aaarrrgh! Yuk, it’s so wet.”

“Weeeeee! I love big slides!”

“Help! Let me go!”

The water cycle.
**Step 1**
Trim the booklet to the very outside black line using either a guillotine or a pair of scissors.

**Step 2**
Fold the paper in half on the BLUE line. Then cut down the RED line with a pair of scissors.

![Image of booklet steps](image)

You should now have something similar to the picture below.

**Step 3**
Fold the paper so that each 'joint' has a clean folded edge.

![Image of folded paper](image)

**Step 4**
Open the paper up into a star shape like the picture below.

![Image of star shape](image)

Fold page 1 over the front and page 8 over the back, there you have it, your very own booklet!

**Step 5**
Your finished booklet should look like the one below, colour it in!
